Building Decisions Under Review

Altona Council has agreed to refer two building permit applications — one for a carport and one for a garage — back to its General Purposes Committee for decision reviews following a "trade" in council last week.

Cr. D. Grant asked that an application by Mr. E. R. Symons, Blyth Street, Altona, be referred back to the committee.

The committee had earlier recommended that the application be refused because it was proposed to locate the carport less than six feet from the property's Mulga Street frontage.

The committee advised that Mr. Symons be told that the carport had to be sited six feet from the side street boundary to comply with the Uniform Building Regulations.

Cr. C. Carlsson, who moved the refusal motion in com-

mittee, opposed Cr. Grant's steps to have the decision reviewed.

Cr. Grant agreed that the application contravened the Building Regulations and a recommendation by Mr. A. Beech, the City Building Surveyor, but said it would be an injustice to insist that it be built six feet from the street.

"Two wrongs don't make a right," said Cr. Grant, "but if we insist that it goes back six feet I think we will be devaluing the property."

"I don't think it could cause any problem to any neighbors."

Cr. W. Crofts agreed with

Cr. Grant and said councillors should inspect the property.

Cr. Carlsson said he would withdraw his objections to Cr. Grant's move if the Council would agree to refer back to the committee an application for a garage by Mr. I. Campbell, Linnet Street, Altona.

Cr. Grant agreed to this.

Mr. Campbell applied for a permit to build an 800 square foot brick garage to house three cars and an 18-foot boat. The General Purposes Committee recommended that the application be approved.

An amendment put to the committee by Cr. Carlsson, recommending that the application be refused was defeated.

Cr. Carlsson wanted Council to inform Mr. Campbell that it would consider granting approval for a garage of no more than 600 square feet.

CANTEENS REGISTERED

Altona Council has approved registration under the Health Act of the following staff canteens

Altona Petrochemical Co. Ltd., Maidstone St.; Dow Chemical Aust. Ltd.; Goodrich Chemicals Ltd.; Hoechst Australia Ltd., all of Kororoit Creek Rd.

Registration of a fish shop operated by J. Pavlidis, Misten Ave., has also been approved.

Meat transport vehicles operated by R. J. Gilbertson Pty. Ltd., Kyle Rd., and Don Smallgoods Co. Pty. Ltd., Blackshaws Rd., have been registered.

No Standing

"No Standing Anytime" signs will be erected on the south side of Station Street to High Street, east to the right-of-way.

Author's Award To Altona Teacher

The book of the year, 1969, a London award of world-wide repute, has been awarded to an Altona High School teacher, Mr. A. Soddell, for his autobiographical sketches, "Atlantis."

This book about the author's earlier life in his native Poland is written in Polish and, as yet, has not been translated into English.

Mr. Soddell, a teacher of French, speaks five languages — Polish, French, English, Ukrainian and German — but finds it easiest to write in Polish.

He came to Altona High in June, 1966.

He has had four other books published including one on the French Underground movement in which Mr. Soddell was involved.

POLICE PROTECTION LIMITED

The manpower situation at Altona police station was such that "very little" staff was available for 18 hours each day, Sergeant Day, the officer-in-charge at Altona, told council recently.

Sergeant Day was commenting on break-ins at the Council pound.

When the Sergeant made his report to the Council nine breakings had occurred for the year. Another eight breakings have been reported since then and two horses were released from private property

The award, a great honour in the literary world, carries a cash prize of \$250.

where they had been placed by the Ranger for safe keeping.

Sergeant Day told Council that most of the trouble occurred when the Altona Police Station was closed, but information had been passed on to the Patrol Division. He said the C.I.B. was also aware of damage done to the pound.

He said Departmental policy prevented him from making a statement on what investigations had taken place, but added that the matter was in hand and the C.I.B. would continue investigations.

Cr. W. Crofts asked the City Engineer to report on the provision of additional lighting in the pound area.

The Ranger reported that 36 dogs and two horses were seized after being found wandering during May.

Altona High Students Awarded A.P.C. Scholarships

For some years now Altona Petrochemical Company has offered scholarships to matriculation students attending local high schools. Altona High School students, Jill Allen and Peter Byrne were awarded the scholarships this year.

Valued at \$80.00 each, the scholarships cover the cost of text books and fees for the matriculation year and are awarded to students who are not holders of Commonwealth Government Scholarships and who plan to undertake tertiary studies in due course.

Australia's need for professionally trained people is continuous and growing and APC's scholarships encourage young people to undertake higher levels of education in preparation for Industrial and Commercial careers.

The photograph shows APC's General Manager O. R. Smith and his Secretary, Mrs. G. Clough, congratulating Jill and Peter.

Comments Sought On Cellar Plan

Altona Council will ask the Altona Chamber of Commerce to comment on proposed extensions to Altona Cellars, corner of Blyth and Pier Streets.

Walter P. Pollock and Associates Pty. Ltd., architects, of William St., Melbourne, told council last week that the extensions provided for additional bulk liquor storage, coolrooms and drive-in bottle department facilities.

It is proposed that cars will enter the drive-in area from Blyth St. and exit south along the right-of-way behind the Pier St. shops to Queen St.

The architects asked for confirmation that traffic in the right-of-way would move only north and south.

Council was told that Woolworths Properties Ltd. had not replied to a council suggestion that the right-of-way be widened to 20 feet.

LICENCE OPPOSED

Altona Council will oppose an application by Mr. B. K. Nicholas, May St., Altona North, for a second-hand dealer's licence to conduct a used motor vehicle and motor parts business in May St.

Mr. J. Mellors, Chief Health Inspector, told council the area was zoned residential.

Council will offer no objection to an application by Mr. J. H. Harris, Seves St., Altona, for a second-hand dealer's licence to sell used household goods in Pier St.

DRAIN DIVERSION

Altona Council will ask the Board of Works to divert the Mulga St. drain, at present emptying into the Bay, into the sewerage treatment plant.

Cr. D. K. Grant said there would be a pollution problem in the Bay until the Seaholme area was sewered.

"We've been told this will take 10 years," he said. "I believe this diversion will help relieve the problem at Altona."

The council will ask the Government to reconsider allocating money to divert all effluent to Werribee instead of discharging it into the Bay.

"Both political parties said they supported this idea before the elections," said Cr. Grant.

Apex Park "Reserved"

The Apex Park extension, totalling 25 acres, has been gazetted as permanently reserved as a site for public recreation, the Department of Crown Lands and Survey informed Altona Council last week.

Vaccinations

The next Sabin vaccination of adults will be in the Altona Civic Hall from 7 to 8 p.m. on June 22.

The annual immunisation of primary school children against diphtheria and tetanus has been completed.

Smallpox vaccination sessions will be conducted at Altona North Youth Hall on July 3 and the Altona Civic Hall on July 10. Both sessions will start at 1.30 p.m.

EDITORIAL

ALONG THE FORESHORE

A walk along the foreshore between Altona pier and Apex Park can reveal much.

It immediately becomes clear that the present and the future of this area are receiving attention.

Apart from the sea view — "always the same and always different" — the first impression is the tree shelters. The fact that of some 200 planted trees only about a dozen need replacing, shows they are being effectively shielded from the inclement conditions.

The unsightly appearance of the tree guards must be forgiven for a few years. With much appreciation, no evidence of vandalism was seen.

However, Apex Park (which of all parks needs trees) has few if any. Here vandals and the thoughtless have caused frustration.

Then along the foreshore are prominent signs indicating that local organisations have each accepted responsibility of tending a section of the beach. However, so much of the beach is currently covered by seaweed that it would be hard for them to see where to start.

There are also rubbish bins placed strategically and very little litter apparent.

There is seaweed. It is quite evident no short term or long term solution to this problem has yet been found.

And there is the Mulga Street drain and minor drains, at high tide, hidden menaces only partly revealed at low. And that is our western foreshore and beach clearly showing both council and community interest.

At present it is a combination of poor circumstances, co-operative effort and substantial beginnings. It can be an ideal place of rest and recreation. It will be what we make of it.

LEE-NICHOLAS WEDDING

A gown of white velvet with a lace overlay on the bodice and cuffs was worn by Miss Janet Nicholas for her marriage in May to Mr. Denis Lee, at St. Peter's Mariners Church, Mission to Seamen, Flinders Street Extension Melbourne.

A prayer book and spray of frangipani were carried by the bride who is the second daughter of Mr. and Mrs. V. Nicholas, of Romawi Street, Altona.

The bridegroom is the only son of Mr. and Mrs. G. Lee, of Cheltenham. The couple are both voluntary workers at the Mission to Seamen.

The Rev. R. Donnelly, Padre of St. Peter's Church, and the Rev. J. Lawley, Vicar of St. Eanswythe's, Altona, officiated at the ceremony.

Gowns of purple velvet with matching bonnets trimmed with white guipure lace were worn by the bride's attendants—her sisters, Miss Lyn Nicholas and Mrs. R. B. Wagner.

Best man was Mr. L. Ball and groomsman was Mr. R. Leaver.

Page boy David Wagner carried the two wedding rings on a cushion.

The reception was held at Talbot House and the couple went on a motoring honeymoon to Queensland.

SAFETY CONFERENCE

Local residents Messrs. R. J. (Ron) Courtot and J. F. (Jack) Gore have been selected to represent their respective companies at the 1970 Australasia Refineries Fire/Safety Conference.

Most of Australia's and New Zealand major oil refining companies will be represented at the conference to be held in Brisbane in the week commencing June 22.

Mr. Courtot is Safety Coordinator at Altona Petrochemical Company and Mr. Gore is Operations Superintendent at the Altona Refinery of Petroleum Refineries Aust. Ltd. Both have had many years experience in refinery and chemical plant safety procedures.

Mr. Courtot will present a report on the mutual aid safety program within the Petrochemical Complex and Mr. Gore will summarize the safety features incorporated in PRA's new plant facilities. Mr. J. Reid, Safety and Security Officer at PRA will also attend the conference.

Plan Approved

Altona Council has approved the subdivision of allotments 7 and 8, Slough Road.

The Altona Bus Lines building is on lot 7 and factoryettes are being built on lot 8.

Mr. R. C. Simmons, City Engineer, said stormwater from the properties would be drained into the swamp, but trade wastes would go into a Board of Works sewer.

\$½ Million Buildings

During May, Altona Council issued permits for 82 buildings, with a total value of \$507,617.

Permits were issued for 24 houses, valued at a total of \$230,373.

FORMER TRAIN GUARD DIES

Mr. Steve Little, former train guard on the Altona railway line for 37 years, and resident of Blyth Street, Altona, passed away on Friday, June 12, at St. Vincent's Hospital after a short illness.

He was aged 77 years.

Mr. Little had a long career with the Victorian Railways after commencing service with the Department in 1915 as a shunter.

In 1920 he began a 50 year association with Altona when he was transferred to the Altona run as a guard — the position he held until his retirement in 1957.

On leaving the rail service, Mr. Little devoted his time to his wife and family, taking particular pride in his grandchildren.

Mrs. Little who had been ailing for some time died two years ago.

Mr. Little lived a quiet life — his family being his main interest.

It is a co-incidence that his funeral today is taking place on what would have been his 78th birthday, that today, exactly thirteen years ago, he flagged out his last train, and the service at St. Mary's Church is so close to where he operated from for so many years — the Altona railway station.

After the Requiem Mass this morning the funeral moved to the Memorial Park Lawn Cemetery.

Mr. Little is survived by a family of three sons and three daughters and a number of grand children.

EARLY ALTONA

The late Mr. Steve Little, who passed away last week, had many recollections of early Altona.

On his retirement from the railways some years ago he recalled that when he first became a guard on the Altona line in 1920 the old McKean cars with their torpedo bodies and windows like portholes were drawn by steam engines and the service was subsidised by the Altona Beach Estate.

At this time there was only one light on the station and Pier Street was half a street and the rest sand dunes.

There was no policeman in the town and Mr. Little was in sole charge.

Trains were several times flood bound but Mr. Little said he always managed to get home.

The only roads to the town were a rough road via Maidstone Street to Geelong Road and over the old ford across Kororoit Creek at Williamstown race course (now Altona Sports Park).

Children he knew in these days he watched grow up and begin travelling on the train with their own families.

When the Beach Estate was liquidated the Victorian Railways took over completely and electrified the line in 1926 and provided a service of six trains a day. On Mr. Little's retirement there were 29 trains running.

Today there are 60 trains — 30 travelling each way.

SALVATION ARMY

The Williamstown Salvation Army Women's Home League have just completed a year of activity, concluding with birthday rallies at the Stevedore Street, and Aitken Street Halls.

At Stevedore Street, Mrs. Lt. Colonel R. Smith was the guest speaker and at Aitken Street, Mrs. Brigadier G. Jones told of her experiences as a Salvation Army Officer in her address on "Service."

To stimulate the Education Programme in Public Affairs a Coffee Morning will be held at the Stevedore St. Hall on Tuesday, June 23 at 10.30 a.m.

The guest speaker will be First Constable Noonan, whose subject will be "Crime Detection, Citizen Co-operation," and slides will be shown.

This address should be informative and interesting and all are welcome to attend.

Council Inspect Lower Yarra Crossing

Altona councillors, officers and Country Roads Board Engineers pause to inspect the Doherty's Road overpass approaches at Geelong Road before continuing a tour of the work in progress on the Lower Yarra Crossing freeway.

Pictured left to right are Messrs. R. Morrison (CRB site engineer for roads), A. Beech (Altona building surveyor), D. Nicholson (CRB project engineer), J. Waters (Altona Town Clerk), and Crs. P. A. Burns (Mayor), H. Weaver and W. L. J. Crofts.

ALTONA BAPTIST CHURCH

Next Saturday night a Coffee Club Social will be held at the Altona Baptist Church for parents, friends and Sunday School scholars.

It will commence at 7.45 p.m. and there will be items, play and games for all to participate.

Small donations will be sought towards a projector for the Sunday School — already \$20.00 is in hand.

The winner of the Car Trial held on Anzac day will be announced and prizes presented.

ARTEX PAINT DEMONSTRATION

On Monday, June 22, at 8 p.m. at the Baptist Church, Sargood Street, the Ladies' Evening Fellowship will hold an Artex Paint Demonstration. This painting is done on fabrics and should be of interest to all ladies. Supper will be provided at the close of the meeting.

BAPTIST GIRLS' FELLOWSHIP OPEN NIGHT

Last week the Baptist girls' fellowship held an open night for parents and friends and demonstrated their activities. A display of handcraft and an outline of the purpose and programme was also given. The aim of the Fellowship is to provide a fourfold programme — spiritual, mental, physical and social.

A sweet stall on the night raised \$5.60 towards the church's missionary aim of

KWIATKOWSKI-GEISLER WED AT ST. MARY'S, ALTONA

A working holiday around Australia follows the honeymoon at Mount Kosciuszko of Mr. James Kwiatkowski and Miss Robyn Joy Geisler pictured above receiving their marriage certificate from Father M. Crawford after the ceremony on May 30 at St. Mary's Church, Altona. The bride who is the elder daughter of Mr. and Mrs. R. O. Geisler of Seventh Avenue, Altona North, wore a sleeveless A line gown of satin-backed shantung and a jacket of guipure lace. A matching shantung and lace dome-shaped pillbox held in place her long three tiered veil. She carried a frangipani and ribbon loops posy. Bridesmaid was her sister, Christine Geisler, who wore yellow-gold crepe culottes and a half bonnet covered in purple lily-of-the-valley. The groom is the only child of Mr. and Mrs. T. Kwiatkowski, of Graham Street, Newport. He was attended by Mr. George Siedlecki. The reception was held at the Piccole Mondo Restaurant.

Val's Column

Hello Girls,

Revlon has satisfied so many thirsty skins who have been faithful users of 'Eterna 27' beauty creams, that they have been inspired to complete this range to the fullest extent. The original 'Eterna 27' is a remarkable one-of-a-kind skin cream that has brought dramatic, visible results to six out of ten users.

The new series of preparations for cleansing and toning that prepares the skin to receive the maximum benefits of 'Eterna 27' has been developed by Revlon Research Laboratories. The unique ingredients in 'Eterna 27' Cream has itself produced such dramatic effects that it is deliberately not duplicated in these new preparations, the Cleanser, Toning and Facial Mask.

We know the benefit of 'Eterna 27' Cream after using faithfully for 40 days. The skin looks and feels younger. Using the Under Makeup each day to continue the work of Progenitin in plumping up the cells with the moisture needed.

Now for that extra dry skin, the parched skins that soak up so eagerly, the Progenitin; there is the Super Emollient Formula. Drenched in rare beauty oils and pure moisture, it gives even the driest skin a fresh translucency. Combined with exclusive Progenitin to nourish, protect and restore a youthful glow to the really dry skin.

New 'Eterna 27' Cleansing Formula is a unique blend of ultra-purified emollients — incredibly gentle to the most delicate skin. Lifts and quickly removes makeup and impurities without heaviness or oiliness. Leaving the skin thoroughly clean and soft.

New 'Eterna 27' Toning Formula is a gentle, alcohol-free lotion that freshens, tones, conditions dry delicate skins without stinging, smarting or pulling. New 'Eterna 27' Facial Mask is a refreshing clear gel which dries to a gentle fuming film. It removes imbedded dirt, stimulates and awakens the skin, and removes signs of fatigue.

As these are gentle, but hard workers, and the skin is dry; special formulas have been created for the delicate eye area, and another to stimulate the throat. Crepeners can be wiped from eyes and throat with 'Eterna 27' special creams. Remember faithful use, faithful service.

Bye.

C.W.A. Social Afternoon

A social afternoon for members of the Altona branch of the Country Women's Association will be held on Monday, June 22, at the home of Mrs. K. Hook, 96 Civic Parade, Altona, commencing at 1 p.m.

Branches Go For Safety

Altona Council will ask the owner of a pine tree at the corner of Blyth and Rose Sts., to trim the lower branches of the tree to a height of five feet.

Altona's Chief Health Inspector, Mr. J. Mellors, told council there was a bad accident at the corner several weeks ago.

"The pine tree lies within the prohibited area where fences and shrubbery shall not exceed three feet in height," he said. "But the tree is well grown and it would appear that lopping of some of the lower branches would give a form of visibility to enable motorists to see traffic in the roadway to the side."

No Appeals

There have been no appeals against an application by the Apostolic Christian Church of Melbourne (Nazarean) to use land fronting First and Second Avenues, Altona North, for a church.

A land use permit will be issued immediately and will be followed by a building permit when council received plans which meet its requirements.

Altona Elderly Citizens

The Altona Elderly Citizens Social Club monthly dance will be held at the clubrooms this Saturday night, June 20, at 8 p.m.

A new band will be playing for the dancers. Admission is 30 cents, including supper, monte carlo and prizes.

The birthday party will be held next Wednesday, June 24. All members are invited to go along for an enjoyable afternoon.

The annual meeting and election of officers will be at 1.30 p.m. on Wednesday, July 15. All members are welcome to attend the meeting.

Altona Ladies' Bowling Club

Winners of the game played on Thursday, June 11 at Altona Ladies Bowling Club were: I. O'Donnell, H. Condon, A. Carr (capt.).

All members are reminded of the Annual General Meeting to be held on June 22 at 1 p.m. And are also reminded to get their names down for the picture night on June 24.

YACHT CLUB LEASE

Cr. W. L. J. Crofts has asked that details of a proposed lease of land to Altona Yacht Club be tabled at the next General Purposes Committee meeting.

"I have not seen the lease," said Cr. Crofts, "and I feel that before it is sealed it should be tabled before the committee."

Mr. R. S. Purdy, Yacht Club secretary, told council that the land shown on a plan submitted to the club was acceptable to it.

AWMC Notes

The Associates next monthly meeting will be held on Monday, June 22 at 7.45 p.m.

It is to be an open night and all male members are cordially invited to join us. The Williamstown Travel Centre is showing a film of overseas travel to many parts of the world. The film is to commence promptly at 8 p.m., so please make a point of coming along early.

SUNDAY, JUNE 28 — FILM NIGHT

Come and have an enjoyable Sunday evening at the Club. The Associates Committee is providing a Buffet Tea which will be followed by a film "Carry on Cleo", featuring Sydney James.

This is something different for your entertainment on a Sunday evening. Tickets \$1.20 inclusive. Members are requested to obtain their tickets as early as possible and preferably not later than Thursday, June 25, to enable catering arrangements to be estimated.

Altona West Primary School

The Mothers' Club of the above School will hold a "Korband" demonstration and luncheon at the home of Mrs. Merryn Money, 2 Lindwood Avenue, Altona, on June 23, 1970, starting at 10.30 a.m. All mothers are welcome. Donation 40c.

4th Altona Scouts

The annual meeting of the above group will be held at the home of the secretary Mrs. Shirley Haining, 16 Spear Court, Altona, on Friday, June 26, 1970 at 8.00 p.m.

All mothers of scouts and cubs are welcome to attend this meeting.

WESTERN SUBURBAN FOOTBALL LEAGUE

West Newport's First W.S.F.L. Loss

By WARDEN JAMES

The Western Suburban football pre-
miership "fight" was thrown wide open
with the defeat of leaders West Newport
by Newport last Saturday.

In a hard, mauling game, marred by poor
umpiring and flare-ups all over the field,
Newport ran out winners by nine points —
6.14 to 6.5.

Newport nearly threw the game away
when they kicked only 1.7 in the first quar-
ter, but recovered well to lead 4.12 to 3.5 at
three-quarter time.

Altona City had too many
big guns for Werribee, which
was weakened by the loss of
vice-captain and full back,
Jim Edwards, Barry Robin-
son and Robert Dowling —
all out injured.

But the plucky Werribee
side more than matched Al-
tona up until half time when
they had seven goals straight
on the board.

Bob Campbell, who has
been out injured, returned
to the side for Altona and
was possibly their best play-
er, while Gary Munro proved
a match-winner with six
goals.

Maidstone, perhaps suf-
fering from the after-effects
of a Friday night cabaret
dance, proved no match for
Central Altona.

However they lost cap-
tain-coach Wall Vecchiet
with a suspected broken
ankle before half time and
finished the game with 17
men when Terry Challis was
carried from the field un-
conscious.

Challis collided with his
own teammate in going for
a mark.

The game was turned in-
to a poor spectacle because
of the disgraceful condition
of Scovell Reserve.

Maidstone were well served
by Malcolm Berg and
John Wishart as well as new
ruckman Ken Archensaw,
who played a lone hand in
the ruck.

But it is a pity to see a
player with the ability of
Graeme Rankin playing
without any interest or
drive.

Although only 10 points
down at three quarter time,
Laverton could not match
Williamstown United's fin-
ishing burst and went down
by 35 points.

RAAF Point Cook boosted
its percentage with an over-
whelming 160 point win
over Brooklyn.

In Under 18, Laverton
provided the surprise of the
round by defeating West
Newport by four points.

Altona A had little
trouble in dispensing with
Central Altona, while New-
port, under new coach John
Pidoto, ran out winners
against Altona B.

Newport's former coach
Graeme Davies has resigned
and WSFL administrator
John Pidoto has offered his
services until a replacement
is found.

In Under 16, Altona con-
tinued its winning run this
time at the expense of
Devon Park, while leaders
Williamstown salvaged some
of the prestige it lost last
week, by keeping West
Newport scoreless.

Early Water Storages

Melbourne's water storage
position is very good. Autumn
rainfall has been plentiful
and earlier than usual, thor-
oughly saturating the catch-
ments; and streamflows are
well above Melbourne's daily
consumption.

Consequently, the storage
reservoirs are being re-
plenished at a rapid rate.
The more usual pattern is
for them to lie in the "dold-
rums" well into winter.

Improvement in storages
occurred about one month
later in both 1969 and 1968,
and not since 1960 has the fall
in storage been arrested so
early in the year. There is
more water in storage today
than previously at this time
of the year and with the
whole of winter and spring
ahead it can be confidently
expected that the storages
will be at full capacity to
meet demands next summer.

FINES FOR POLLUTION

In Sandringham Magis-
trate's Court recently the
Magistrate (Mr. Gleeson, S.
M.) said he was satisfied that
Kemrez Chemicals, Bay Road,
Cheltenham, had not taken
sufficient precautions to pre-
vent offensive effluent dis-
charging into the Board of
Works stormwater drain.

After hearing formal evi-
dence proving the offence al-
leged in the Summons, the
Magistrate accepted the de-
fendant's undertaking not to
commit any further offence;
that it would construct an
interceptor pit, and connect
its factory to the main sewer
within the next six months.

The magistrate did not re-
cord a conviction but ad-
judged the hearing to a date
to be fixed not later than
May 6 1971, and ordered the
defendant to pay \$194.36 costs
to the Board.

WILLIAMSTOWN AND NEWPORT DISTRICT CYCLING CLUB

60 MILE CYCLING RACE AT ALTONA

For the second year in a row a 60-mile open handicap cycling event will start and finish in Altona this Saturday.

Starting at 12.45 p.m. on the Esplanade, near the Altona Pier, the race will proceed along the Esplanade to Maidstone Street, then west along Queen Street to Aviation Road, over four laps of the Sneydes, Geelong, Dun-cans and Aviation Roads circuit and return to Altona with the finish on the Esplanade at approximately 3.45 p.m.

Programs at the start will enable spectators to identify the riders and determine their handicap marks.

Promoted by the Williams-town and Newport District Cycling Club, the race has the enthusiasm of the Altona Council and the generosity of the local trades people to thank for its continued suc-cess.

For six years prior to last year a similar event was conducted with the start and finish in Werribee, but follow-ing last year's event Altona was an automatic choice for this year's venue.

Although the course is ex-tremely flat the riders find little protection from the wind which usually cuts their num-bers down before the finish.

Riders to watch could be Hilton Clarke, Frank Mc-Caig, Ian Stringer, Terry Stone and Bill McNamara.

Clarke is the present Aus-tralian one mile champion and must rate as the best all-rounder at present racing.

McCaig has won the rich Bendigo Golden Mile on three occasions, the last time from the scratch mark. He also gained first placing on fastest time in the Bendigo 88 mile and Lakes Entrance 183 mile opens as well as being a past holder of the Victorian 125 mile road championship.

Ian Stringer holds the dis-tinction of being the youngest rider in the world to have won a major six day race and as a youngster won the Victorian and Australian Schoolboys' Championship.

Footscray's Terry Stone must be one of the best tour riders produced in Victoria for many years and has a most impressive record.

Last year's winner Bill Mc-Namara is another entrant and could prove hard to beat. Williamstown's entrants in-clude dual Warrnambool win-ner (1958 and 1962) Wal O'Brien, and 1961 winner Tony Robson, also Leon Con-staninou, the sensation of the present road season who must do well on his favourite circuit.

Being the only open event to start and finish in the metropolitan area the "Al-tona 60" gives the people of Altona the chance of seeing Australia's top cyclists in ac-tion right on their doorsteps.

The club is looking to the residents for their full sup-port in making this year's event an even bigger success than last year.

To witness the start, re-member 12.45 p.m. is the time.

Phone Service For Employers

Mr. J. W. Scott District Officer of the Commonwealth Employment Service said to-day that his Department has introduced for the conven-ience of employers, an after hours telephone service for the lodgement of vacancies.

Previously, it had been pos-sible for employers to lodge vacancies only within normal office hours, but it has been ascertained that some have found this to be difficult for various reasons, particularly those whose hours of business differ from those of the C.E.S. offices.

Employers are invited to take advantage of this ser-vice and to use it if and when necessary. The tele-phone number is 63 4637.

ALTONA MAYOR ELECTED PRESIDENT OF SCOUT ASSOCIATION

The Mayor of Altona, Cr. P. A. Burns, was elected President of the Gellibrand Scout District Association, at the first annual meeting held at 1st Altona Scout Hall on June 10.

The Gellibrand District lies within the Municipal boundaries of Williams-town, Altona and Werri-bee. Cr. Jackson, Werribee Shire President, was also present.

Gellibrand District was formerly a part of the Footscray District, whose District Commissioner, Mr. Jim Whittle, was present, accompanied by A.D.C. Wal Hopkins.

In accepting the office of President, His Worship, expressed great pleasure in being associated with such a worthwhile movement as the Boy Scouts' Associa-tion, and deemed it an honour to be asked to hold office in the movement.

The District Commis-sioner, Mr. K. Stevens, re-ported that the Gellibrand District comprised of 11 Scout Groups, with 537

Cubs, Scouts, Senior Scouts and Rovers, and 75 lead-ers. These groups are all supported by parents and friends who work very hard to raise finance, to equip and maintain their equipment. Mr. Stevens stated that considerable growth of the movement within the district is anti-cipated and in this regard it would be necessary, in-deed desirable, that two Scout groups should share the building and use of Scout halls. This would lighten the initial financial load and make full use of Scout halls for scouting purposes.

Other persons elected to office on the District Asso-ciation were: Chairman, Pro-fessor K. Jubb, of Mel-bourne University Veter-inary Centre, Werribee; secretary, Mr. Neil Bryan, RAAF, Laverton; assistant-secretary, Mrs. Bonny Gil-ligan, Werribee; treasurer, Mrs. Pat Fitzgibbon, Nth. Altona.

Noise Causes Deafness

Forty Five people attended a lecture at the Trade Union Clinic, Footscray, on Tuesday June 9, to hear Dr. Constance Napier talk on noise induced hearing loss and methods of hearing conservation.

She is in charge of the hearing unit of the Royal Victorian Eye and Ear Hos-pital, Melbourne. Dr. Napier said the true disability or disadvantage in deafness was being unable to understand the spoken word. It isolated the individual from his family and friends.

By far the greatest source of excessive noise was in-dustry, jet planes another source and also discotheques.

In Australia and America hearing loss through Indus-trial Noise is compensatable, but Dr. Napier said compen-sation was poor recompense for loss of hearing.

Most investigations into hearing loss had been done in America. Ways of measuring hearing loss were by bone conduction and air conduction.

She stressed the importance of protecting the ears from noise. Ear muffs or plugs must be supplied at work and employees working in noisy conditions must be made to wear them. Also noisy mach-inery should never be placed in small enclosed places.

Dr. Napier said there were reputable sound engineers in Melbourne who advised on work shop lay-out to reduce noise to minimum. Personnel from James Hardie & Co., Monsanto Chemicals, Massey Ferguson, Newport Railway Workshops, Victorian Civil Ambulance, Alban Explosive Factory, Maize Products Dickies Towels, Borthwicks Meat Works, Forges Pty. Ltd., Extruded Metals, Williamstown Hospital, "West-haven" and Olympic Cables, were in attendance and took part in discussion.

Newport Amateur Swimming Club

Swimming against Foots-cray in Winter Pennant on Sunday, Newport swimmers were again successful, win-ning the girls' events and the boys tying in their events.

The winners for Newport were Scott Splatt, Robert Turner, Maree White, Robyn Jackson, Janet Barlow and Geraldine Murphy.

Winning the relay events helped the club considerably.

Leaders in the three groups of graded scratch events to date are Daniel Flahive, Paul Thompson, Steven Kane, Lyn-ette Butler, Debbie Spotswood and Alison Kemp.

THE CURTAIN RISES

BY THISBE

I am one of those unfortunate people who have few domestic skills. Unfortunately I always seem to meet people who are very clever in ways I cannot follow.

I ask, "Where did you get that gorgeous dress?" and it is always a little something that the owner ran up on the spur of the moment. The only thing I will ever run up is a bill, with "my little woman who sews" (if I ever find a really good one).

Safety pins were invented for people like me, I once nearly lost a sarong, in front of a very large audience because my press-studs kept on coming undone. It was more by good luck than good management that I retained a modicum of modesty.

I'm sure there must be many clever people who can make costumes and others who can sew on lace and braid and buttons and bows so that our ladies and gentlemen can sing and dance without any danger that their suits and dresses will fall apart.

I know that Graham Murphy at 397-7600 (after hours), Nell Colville at 397-7812 or June Lownds at 'Guys and Dolls' will be very happy to supply you with work to do at home.

There is a great deal to do before "The Duenna" is ready to be seen by the public on Monday, July 20 so why not come along and lend a hand so that all the buttons will be on, at the end of the season.

Combined Pensioners' Association

Williamstown - Newport branch of the Combined Pensioners' Association held the monthly general meeting on June 5.

Quite a few members are on the sick list but it is hoped they will be well and able to attend the centre once again in the near future.

The branch concert party has arranged to visit Seaford branch of the C.P.A. this week for a fraternal visit. Those members who are booked for this are reminded that the bus leaves outside Newport Library at 11 a.m. The next meeting will be a social afternoon on June 19.

Hospital's Deb. Ball

Roaring into the 70's with a new look will be the Footscray and District Hospital 21st Annual Deb. Ball. This year one of our city's leading citizens, Mr. Noel Wilby, Chief Commissioner of Police, will receive the debts.

Two bands have been engaged to cater for every persons' likes. It'll be a real "Swinging Affair" with "The Bouys" modern Latin-American style music.

In addition there will be a delicious smorgasbord supper continuous from 10:30 p.m. till 12:30 a.m.

The ball will be held in the Orana on Tuesday, July 28 from 8:30 p.m. till 2 a.m. and is being sponsored by local businessman, Mr. Keith Forge.

Those wishing to partake in this new event should book their tables early with any of the following ticket secretaries: Mrs. W. Stoneham (debs. only), Mrs. P. Gallagher 68-1498; Mrs. E. A. Youens 68-1689 or Mr. E. A. France 68-3175 or Footscray and District Hospital 317-0211.

WESTERN SUBURBS LAPIDARY CLUB

The Western Suburbs Lapidary Club will now hold its meetings on the following days: General on third Thursday, and Social on last Friday of each month at 8 p.m., in the Methodist Church Hall, corner of Electra and Pasco Streets, Williamstown, until permanent rooms can be found.

There will be no speaker at the next General Meeting (June 18) but at the Social Evening on Friday, June 26, Mr. Alec Amess, of Hampton, will demonstrate hand faceting of gemstones.

At the last general meeting members enjoyed a demonstration of enamelling on copper by Mrs. E. Bennett, of MacLeod.

Films of members at the Heathcote Gemkhana were shown at the social evening by club photographer, Mr. Eric Rigg, of East Keilor.

The competition for June will be for the best picture stone. Recent competition winners were Mrs. M. Grey of Avondale Heights with a cahochon of petrified wood, and Mr. H. Watson, of Kinglake, with a cahochon of Heathcote district jasper.

Mr. Charles Lloyd, of Oak Park, won the special effort of a dinner set, donated by Mrs. Lorna Noble, of Sunshine, and Mr. Harry Villiers, of Altona, won two Queensland stones, petrified wood and a thunder egg, donated by Mr. and Mrs. Les Grey, of Avondale Heights.

Members thoroughly enjoyed a Theatre Night at the Williamstown Little Theatre's production, "Woman in a Dressing Gown," and hope to attend the next production.

No field trip will be held this month. Last month's trip to Ryson's Creek was marred by rain, though some members were lucky enough to find some smokey quartz.

Nutrition For Aged

Nutrition information from London states that a recent publication by the King Edward's Hospital Fund, breaks new ground in the difficult study of nutrition in the ageing. In it there is a report on the diets, clinical conditions and social circumstances of 60 women, over the age of 70 years, living alone.

It was found that the old women managed to consume a varied diet, and did not all live on the traditional bread and jam. However some diets were ill-balanced and provided too little vitamin C, vitamin D, and calcium, iron and protein.

As appetite decreases with age, the diet should contain a higher percentage of protein, fats, minerals and vitamins and a lower percentage of carbohydrates. Unfortunately, many of these old people had developed a liking for sweet, things, so a reverse tendency was in fact noted.

Demeralization of the skeleton was observed in 20% and this group of women took less calcium and vitamin D than the average. These findings suggest that osteomalacia may contribute to the skeletal rarefaction so continuously found in old age, and until more evidence is obtained on the cause of demeralization, it would seem reasonable to encourage the elderly to take more milk and cheese.

MEET NODDY'S CREW . . . THEY ARE ALL IN THE R.A.A.F.

If you happen to watch Kevin Dennis' New Faces on television this Sunday night you will certainly see a really good pop group. The group is Noddy's Crew and all its members are in the R.A.A.F.

Noddy's Crew has been around for about 18 months but the group is just starting to "kick ahead" now.

"We've just secured an IMT booking and we're hoping to appear on the national New Faces programme," said drummer Bluey Morgan.

"But you won't see our full line-up on Sunday night," he said.

"There will only be four of us then, but in future we will work with six members."

Kevin (better known as Bluey) has managed to talk Cheryl Cope into joining the group. Cheryl is based at Sale with the WRAAF and she has a great voice.

When Kevin formed the group 18 months ago all the members were from the Laverton Air Base. Now three are from Laverton and three from Sale.

The members of Noddy's Crew are Bluey Morgan (drummer and backing vocals), John Kuypers (lead singer), Cheryl Cope (lead singer), John Clelland (bass), Col McEgan (lead guitar) and Ian Watkins (organ).

Cheryl, Col and John Kuypers are all based at Sale while Kev, Ian and the other John are still at Laverton.

"This restricts our playing to weekends," said Kev. We practice nearly all day on Saturday because we have been doing a fair amount of cabaret work lately.

"You could say we are a group without gimmicks but there are not many other groups around that can rely on five-piece harmony," said Kev.

Giving his rundown on the members Kev said everybody loves sandalwood beads. Cheryl is interested in men, Col's weaknesses are Jags and Wes Montgomery, Jaycee is rapt in wigs and Jack Bruce, John Kuypers adores GT Cortinas and Sydney, Kevin's main loves are pop festivals and his family.

Recently Kevin made the trip to Ourimbah for the festival there.

He played drums with the Tully and Nutwood Rug.

Some of you "oldies" may remember Kevin from the days of "Us Wat Motivate." Please don't cry, girls. You will be able to see Kev and the boys on Sunday night.

And you may also see them in the Geelong Battle of Sounds as well as the 3TR Battle in Gippsland.

What's more, rumour has it that Noddy's Crew may be the first RAAF Band to tour Vietnam entertaining troops.

Go-Go Girls At Civic Hall Dance

A Go-Go Girl competition may be held at the Civic Hall dance on Friday night.

The winners will be offered a job at the Brooklyn Drive-In Theatre for the new Sunday night discotheque that is opening there.

Girls, if you are interested, turn up at the Civic Hall on Friday night.

Fables Appearing

Guest group is Aesop's Fables. Also appearing is

the Warehouse and Issi Dy may be present. Tickets at \$1 are still on sale at the Record Bar and Mick's Barber Shop.

Admission may be granted at the door if you are unable to obtain a ticket.

Inside The Scene

Rick Winston reports

Ronnie Burns is considering buying a new house. Fans might be surprised to hear that Ronnie is getting married sometime this year.

One of the most popular dances in the West is Club Y which operates in West Footscray. Groups like Max Merritt, and the Meteors, New Dream, Steve Jones Group and the up-and-coming Small Talk have been some of the top-line acts.

Complaints have been received by Australian Associated Talent Guild about the casual dress of groups. The Guild is issuing instructions to all agents, managers and groups to smarten up or find there is an instant cancellation because of unsuitable dress.

Talking of smartening up, Daisy Clowers need to turn over a brand new leaf or they will not be on the Melbourne scene much longer.

Discontent is emerging not only amongst groups but with several promoters because a certain weekly pop magazine would appear to be out of tune with the pop scene. The said publication seems to be adrift in the blues and heavy type music when in actual fact there is a new sound around . . . the 70

Spice of Life is well worth seeing and hearing now that the group has settled down under better management.

Small Talk is making a number of appearances in the West. The group will appear at Club 7 on July 10.

Members of the group are John, lead singer and surfer, Robert, lead guitarist, vocals, and yachting enthusiast, Stephen, bass player and aviation expert, David, drummer and footballer.

A good swinging sound comes from a group called Bass Drum.

And a group throwing out a big challenge is West End.

Watch out for a new group called the Myriad Consort.

Will Phillip Bell, lead singer of the Dave McCallum Power Set make that promised overseas trip?

Drive-In Winner

Winner of a double pass to the Brooklyn Village Drive-In Theatre this week is C. Broadfoot who knew that John Wayne won an Oscar this year for his part in "True Grit."

More winners will be announced next week.

Competition This Week

Who starred in "Midnight Cowboy" with Dustin Hoffman? Address all entries to "Altona Star," 101 Pier St., Altona.

Winners will receive double passes to Brooklyn Drive-In.

Drive-In Goes Psychedelic

Brooklyn Drive-In will go psychedelic commencing June 25 with "Isadora" the film starring Vanessa Redgrave and a floorshow by Melbourne's newest group, the Warehouse.

The Warehouse will play every night to the 28th from 6.30 to 7.30 and on Sunday night from 6.30 to 8.30. If this idea meets with success the Drive-In may feature a disco dance every Sunday night.

Gossip

What a party? Dino has aspirations of drumming.

Is Danny homesick for the army?

Michelle was so tired. Denise was really brave on Saturday night.

The party must have been boring. Bob, Terry and Peter could not stay awake. They were exhausted after listening to the interstate game.

Alan Marshall owes Keith a beer.

When will John's car be back on the road?

Sammy (alias Claudio) really likes his job. It's so interesting and different. And he always manages to pick up some interesting reading material.

Leigh detests girls from Fawkner.

Abbott had a very interesting night out last Sunday. I feel sure he enjoyed himself.

Harry and Helen, those inseparable twins, were trying to gatecrash a dance.

Is Bus Stop really starting again this week?

Lorraine wishes me to quell all those rumours.

Sam is back with Marilyn again. But for how long?

Bibby looks beautiful in his twin suit.

Ships Sail through this Man's History

"The sailors of today have it easy compared with those of yesteryear," says Mr. H. F. Morwick, canvas goods manufacturer, of Nelson Place, Williamstown.

"These days the sailors are in and out of port so often they're a different type to those of the past," he says. "The old-time sailing ship seamen were at sea so long they often went mad when they came ashore."

"I've often seen knife fights between them in the streets of Williamstown. But these fights only happened when the sailors were drunk. Otherwise they were quite nice, and an unending source of interest to a young boy interested in foreign places."

Mr. Morwick should know provided for, but his widow quite a bit about the sea and the men that sailed on it. band wasted her money.

For three generations his family has served the ships, and the Nelson Place premises Mr. Morwick occupies today has been a calling place for many famous sea captains, yachtsmen and other ship lovers.

GRANDFATHER FROM ORKNEY ISLANDS

Mr. Morwick's grandfather, George Morwick, a seaman from the Orkney Islands, off the northern coast of Scotland, arrived in Williamstown around 1850. Seven or eight years later, in November, 1857, he married a Fanny Higgs at the Williamstown Presbyterian Church and went to live in Cox's Gardens.

At first, George Morwick worked with the Customs, then spent a couple of years working at the Gabo Island Lighthouse.

Mr. Morwick says his grandfather was a staunch Presbyterian of "the old school."

"The blinds were drawn close on the Sabbath," Mr. Morwick says, "and nothing but the Bible was read or spoken about. All the meals eaten on the Sabbath were cooked the previous Saturday. The people of the Orkneys are very parochial, and so was my grandfather, but he was particularly God-fearing and honest."

Despite his isolated homeland, Mr. Morwick's grandfather found it hard to adjust to the petty-mindedness of life on the small Gabo Island lighthouse.

"The head lighthouse keeper came around and found grandfather eating rabbit for dinner one day," said Mr. Morwick. "The head keeper then put in a report to the Ports and Harbors Department, which controlled the lighthouse, saying that as there were no rabbits on the island, and as his pet cat was missing, grandfather must have been eating his cat."

When he returned to Williamstown after Gabo Island, George Morwick was attached to the Williamstown Customs Office as a crewman on the Customs' launch.

One night the lightship, which was stationed where the pile light is now, came adrift.

"My grandfather, who was suffering from pneumonia at the time, was called from his bed to attend to the lightship. The pneumonia turned to T.B., and he died, aged 45."

George Morwick left his widow and six children well

FATHER SPECIALISED IN SAIL MAKING

Mr. Morwick's father, named George Ferguson Morwick — the Ferguson from Captain Ferguson, who was the Port Phillip harbormaster when he was born — left school early to provide for his family.

His first job was in the local bottle works, but he only lasted there a few months before joining A. H. Heriot, a local sailmaker who specialised in making ships' sails and heavy craft sails for fishing boats.

When the land boom bubble burst Mr. Morwick's father began in business for himself. Aged only 24 at the time, he wore a frock coat in an attempt to appear older than he was.

He had a hard struggle sailmaking for the big ships, and although he later did quite a bit of this work over the years, he decided to specialise in manufacturing racing sails for yachts.

He introduced the crosscut sail from England, and yachts using his sails won most of the races. He also invented a new filling for life-jackets, and constructed a special machine to burn the cork used in his jackets.

The filling he developed was the standard required by the Board of Trade for many years.

Business prospered and Mr. Morwick's father made sails for all the top yachtsmen.

BOATS FROM EVERY STATE

"I have known the day when all boats in interstate competitions — they came from every State of the Commonwealth — were carrying my father's sails," Mr. Morwick recalls.

His father also became one of Melbourne's first flag-makers, and when the Duke of York, later King George V, visited Melbourne, his flags were flown all over Melbourne, including Government House, the Town Hall and the Railways buildings. The same thing happened when the U.S.A. fleet first visited Melbourne in 1908.

Mr. Morwick remembers the American fleet's visit well. His father paid him 2d. each to paint the gold tops on the flag poles. He remembers the Duke's visit less pleasantly. He sat for hours in a skiff on the Bay while waiting for the Duke's liner to arrive. His father was fishing, and to pass the time Mr. Morwick teased the fish that had been boated — until one gave him a nasty sting.

FOUNDATION MEMBER OF HOBSON'S BAY YACHT CLUB

Mr. Morwick's father was a foundation member of the Hobson's Bay Yacht Club, which was formed originally from the Gap Club, whose members moored their boats on the inside of Breakwater Pier, where the oil tanks now stand.

The Gap Club never managed to raise money for race prizes, so winners received a leg of mutton or bottles of beer for their efforts.

Mr. Morwick's father served on the Hobson's Bay Yacht Club committee for many years, and was later the offi-

cial starter for the Victorian Yacht Racing Association.

His father was starter when Lord Foster competed once. His father fired the gun right on time, amid protests from officials because Lord Foster wasn't quite ready to start. The Lord's boat was left behind and club officials were hostile. They believed the starter should have waited for such a distinguished person.

Mr. Morwick's father was ostracized and humiliated at all the Association's functions until Lord Foster asked for him to be presented. He then complimented him on his stand against the club officials.

Lord Foster said: "When I am on duty for the Queen, you should wait. When I am racing I am simply Foster and should receive no special considerations."

At one time Mr. Morwick's father was sailing master and sailmaker to one of Victoria's Governors. He was entitled to use the Governor's crest on his billheads and state that he was under special appointment.

The last ship sail Mr. Morwick's father made was for the Loch Ryan, which had been the John Murray, a training ship for delinquent boys for many years. Because of the shortage of shipping tonnage after World War I the ship was recommissioned and sent to sea again. It was lost two years later on one of the Marshall Islands.

Mr. Morwick remembers, as a boy, being offered a monkey by a ship's captain who came to his father's shop. He also remembers meeting Jack London, the famous writer.

London was in Melbourne to report the Johnson-Burns fight for American newspapers. His schooner was anchored off the Stevedore

Street Pier, and Mr. Morwick visited the ship to deliver a quantity of rope.

"As boys we all went on board the sailing ships and we all had a go at climbing the rigging," Mr. Morwick remembers. "I could never go too far up, and the highest I ever got was the first leg of the mast, but one friend of mine climbed right up to the top."

TACK BISCUITS

"The sailors gave us hard tack biscuits — so hard, they were, that many sailors wrote their wills on them. The biscuits with the wills were later found floating on the sea."

"We thought they were wonderful — home food was never anything like them."

Mr. Morwick's father was a member of the Williamstown Bowling Club, and acted consistently as an umpire. He was also a member of the 1906 committee of the Williamstown Football Club and a competitive rifle shooter.

While shooting he found he had a defect in his right eye, so changed over to sight through his left — no mean feat.

As a member of the Williamstown Racing Club he owned and raced a number of ponies.

One of his horses was brought in for racing after a spell in the country, and the father told his friends that the horse couldn't win because of its lack of training.

But the horse did win, and it was later discovered that the horse had been used for paddock work during its stay in the country, and the man who rode it there was a jockey. The jockey later went on to win a jockeys' premiership in Queensland.

Mr. Morwick's maternal grandparents, Eliza and Eliza Williams, came to Williamstown from Cheltenham, England, as 19-year-old newlyweds. Mr. Williams was a cabinet maker and worked in the Railway Workshops, first at Williamstown and later at Newport.

Mr. Williams set out in business for himself for a while, but his partner let him

down and he was forced to return to the Railways.

Mr. Williams died in Geelong, aged 74. His wife, a member of a touring singing group, the Glenister Glees, before she was married, returned to Williamstown after his death and died when she was 93. The couple left nine children.

WORKED FOR FATHER

Mr. Morwick started work sailmaking with his father, but gave it up and served his time with the Railways as an upholsterer. He then operated a dried fruit property at Swan Hill for 16 years, until the death of his father, then returned to Williamstown.

He conducted a secondhand business for some time, then in 1940 started out in the canvas business. He began in a small way, making tents, but during World War II he made over \$90,000 worth of canvas goods. In one year alone, he made \$30,000 worth.

He was the first tent maker to introduce an assembly line system of production, and by doing so he cut the time for making a tent by one-third. The Department of Supply complimented him and asked him to install more machines.

He did a variety of work for the Department, including tents, marquees and ships' goods.

One of his jobs was to construct imitation deck houses out of canvas. These were fitted on small ships fitted out to look like sailing junks. The canvas deck houses even had portholes painted on them, but when an enemy ship came into view, the canvas was stripped away to expose guns.

After the war Mr. Morwick returned to sailmaking, specialising in fishing boat sails, but today tents and tarpaulins make up most of his business.

His shop in Nelson Place — the same one his father began business in — is filled with history and ghosts of the past. Mr. Morwick has a collection of historic photographs depicting daily life in a Melbourne long-since gone.

Mr. Morwick's front window with its picturesque display has been a mecca for lovers of old Williamstown and old Victoria. The building was erected in 1860.

WESTERN SUBURBS TABLE TENNIS

Players from the Western Suburbs Table Tennis Association took the major honours in the recently conducted Sunshine and District Association Annual Championships.

Stephen Slattery won the A Grade Open Men's Singles title with a narrow win over Sunshine star Mathew Sandherr, 23-21, 21-17.

Stephen then combined with Barry Taylor to win the A Grade Men's Open Doubles Championship. In this event they teamed well to defeat former Western Suburbs players Tom Adams and Kevin Prior, 21-19, 21-17.

Taylor and Slattery have steadily improved their technique in recent seasons in A Grade and on this performance must be considered among the favorites in the Western Suburbs Championships, to be held at the Table Tennis Centre, Garden Street, Williamstown, during the period June 15-19.

The surprise of Round 7 was Williamstown Colts defeat of "A" Pennant leaders, Kingsville. Colts, with former A Grade singles champion Bob Faust in their line-up, were too strong for Kingsville and won 9-2, Faust being unbeaten with three rubbers, and Barry Taylor and Steve Slattery, two rubbers each.

Robert Bodingtons defeated a depleted Centre, 11-0, and so take second place.

B1 GRADE

Centre (Jack Wylie, Tom Nichols, Dave Doyle) provided the upset in this grade when they toppled previously undefeated Brooklyn, 6-5. Wylie and Doyle each won two rubbers.

B2 GRADE

Ballarat Rd. Methodists returned to winning form when they convincingly defeated Goetz, 10-1.

Reckitt & Colman (Ted Powell, Jack Jennings, Alan Evans) won a close game from Seaholme, 7-4. Powell dominated the game for Reckitt, winning three singles and combining with Evans and Jennings to win both doubles, whilst for Seaholme Ted Simmons won two rubbers.

C1 GRADE

Outlaws (Frank Bissett, Wal Borkut, Alan Maloney) proved too good for Snappers and won 7-4.

Reckitt & Colman (Pat Berry, Ed Drewry, Bob Wendt) cruised to a 10-1 victory over Explosives. Pat Berry and Bob Wendt won three rubbers for Reckitt and Ed Drewry two.

Both Kingsville YMCA and Grieve Highway received 11-0 walkovers.

D1 GRADE

Union Carbide have gained a new lease of life in recent weeks and could trouble the top sides with its present form, and in Round 7 they crushed Brooklyn Youth Club to the tune of 11-0. Each of Union Carbide's players (Jack O'Brien, Harry Hepburn and Gordon Morris) won three rubbers.

McKenzie & Holland were too consistent for Avondale Heights Community Youth Club (2) and won 8-3. McKenzie & Holland's best players, J. Casha, J. Camilleri and R. Curwood were a model of consistency with two wins each.

D2 GRADE

Newport Post Office had a surprise win over leaders, Williamstown Youth Club at 8-3. Bernie Fox was Newport's best player with three excellent wins and was supported by Corbett and Treble with two rubbers each, whilst for Williamstown Youth Club Barry Harrison won two rubbers.

Esso Tigers "B" went to top place when they defeated a disappointing St. Mary's (6), 9-2. David Evans and Joe Ricketts were the stars for Esso with three rubbers each, whilst for St. Mary's John Gammon and John Hewitt each won one rubber.

Esso Tigers "A" (Steve Brown, Tom Bloom, Jim McKenzie) were far too strong for AGM and won 10-1.

E1 GRADE

Bertrams (E., B., H. and T. Bertram) continued on their winning way with a crushing 11-0 defeated Seaholme.

St. Andrew's consolidated second place when they easily defeated St. Albans, 9-2.

St. Mary's "A" in third place, rose to second place with a close win over up-and-coming Ixer Social Club.

St. Mary's "B" won the battle of the wooden spoons when they defeated Triangle in what was a most interesting tussle.

Avondale Heights Community Youth Club Blue defeated Williamstown (B. Burgess, J. McKinnon, G. Young), 7-4.

WESTGATE JUNIOR RUGBY

UNDER 12

Williamstown/Altona Ramsdens, 3, lost to Sunshine Tech. School, 15.

Playing at the Strand Reserve, at Newport, Ramsdens improved to hold the stronger S.T.S. to a small lead. Several players trying in their first game lived up to expectations and performed with credit.

Scorer: S. White, try.

UNDER 11

Altona North Tech. School, 45, d. Williamstown Tech. School, nil.

W.T.S. had an off day and failed to show their improving form against a well-developed A.N.T.S. who ran hard throughout and showed more evidence of teamwork.

Scorers: — Tries: P. Phillips, W. McKendrick, D. Gates, J. McKendrick 5, A. East 3. Goals: J. McKendrick 6.

UNDER 16

Altona North Tech. School, 29, d. Williamstown Tech. School, nil.

Also playing at Langshaws Reserve, A.N.T.S. outran W.T.S. and much improved style of play brought well-earned dividends. W.T.S. were unfortunate that their own lifted play was thwarted by the advancing techniques of A.N.T.S.

Scorers: — Tries: S. Amaot, P. Elias, R. Ritter, P. Littlewood 4. Goals: P. Littlewood 4.

UNDER 18

Footscray, 3, lost to Moorabbin, 6.

Played in wet conditions either team could have won and the break went against the locals.

Scorer: — Try: P. Roderick.

THIS WEEK'S MATCHES

UNDER 12. — WTS v. Sunshine at the Strand Reserve at 11 a.m. W.A. Ramsdens v. St. Paul's Primary at the Strand Reserve at 10 a.m.

UNDER 14. — St. Paul's College v. A.N.T.S. at St. Paul's at 9 a.m.

WESTERN SUBURBS COLTS

Last Monday at the Williamstown Football Ground the Western Suburbs Colts played Preston-Reservoir Junior Sunday Football League in an inter-League match.

Both Under 14 and Under 12 matches were played.

UNDER 14

Preston-Reservoir, 7-8-50, defeated Western Suburbs Colts, 3-3-21.

Goals: A. Paone, J. Dean, G. Sorrell.

Best: W. Spicer, A. Paone, G. Nichols, A. Donnelly, G. Knight, G. Hancock, D. Phefley.

Winner of the South Melbourne jumper, donated by S.M.F.C., was Wayne Spicer who was the team's vice-captain.

UNDER 12

Preston-Reservoir, 6-8-44, defeated Western Suburbs Colts, 2-0-12.

Goals: M. Marmo, G. Eustace.

Best: A. Gibson, J. Clarke, G. Stone, G. Eustace, D. Vickers.

THIS WEEK'S DRAW

Williamstown Methodists v. Holy Trinity.

Altona Methodists v. Laverston.

Yarraville v. Westport.

and Moniport YMCA Under 12.

UNDER 16. — ANTS v. Power House at Power House at 11 a.m. WTS v. Nunawading at the Strand Reserve at 11 a.m.

UNDER 18. — Footscray v. Power House (2) at Footscray at 12 noon.

South Thirds Win At Collingwood

South defeated Collingwood by seven points in a close, exciting match played at Victoria Park.

Early in the first quarter Collingwood goaled but South were quick to reply through Nodzio. Further goals from Stibbard and Grima saw South 10 points up at quarter-time.

The second quarter was even, with neither side gaining any advantage because of goal for goal scoring. South's goals came from Nodzio, Stibbard, Pasquill and Grima.

Grima goaled early in the third quarter, but two quick goals put Collingwood in front. South fought back through Davis, who seized every opportunity to drive the ball forward. A goal by Davis, followed by goals from Doherty and Grima, put South in the lead once more.

Collingwood desperately fought back in the last quarter and came right back into the game with two quick goals.

A magnificent goal snapped by Doherty, followed by a goal from Urban saw South again draw away from Collingwood.

Collingwood replied with another two goals, but South hung on to their slim lead to come out victorious.

Scores: South Melbourne, 14-11-95; Collingwood, 13-10-88.

Goals: Grima 4, Nodzio 3, Doherty 2, Stibbard 2, Pasquill, Urban, Davis.

Best: Davis, N. Stibbard, Grima, Chalmers, Nodzio, Brown.

Centrals Win In The Slush

Playing under appalling conditions at Scovell Reserve, Centrals ran out easy winners from Maidstone.

Centrals' play-on game and good teamwork and backing-up laid the foundation for the win. Ron Smutney at centre-half-forward again dominated the forward line with five goals. He was ably backed-up by rovers Jeff Lott and Bill Kennedy.

Scores: Central Altona, 12-11-83; Maidstone, 3-2-20.
Best: R. Cole, E. Jepson, R. Smutney 5, J. Lott 3, N. Davies.

Other goal scorers: W. Kennedy 2, M. Laurin, M. Kizan.

UNDER 18
Central Altona again failed to put four consistent quarters together and allowed Altona "A" to take the points.

Altona "A" adapted themselves better to the slippery conditions and to the umpire. Centrals trailed by three goals at three-quarter time

and an even tussle was expected in the last, but Altona "A" proved more determined and won well.

Scores: Altona "A," 12-20-92; Central Altona, 5-6-36.
Best: I. Laffey 1, J. Puopolo 1, L. Thwaites, R. Makinson, D. Rohkampter 1.
Other goals scorers: J. Kizan 1, I. Sorenson 1.

Soccer Pavilion Opening

The Kim Reserve soccer pavilion will be officially opened on Sunday, July 12.

Altona Council will provide a plaque naming it the McIntosh Pavilion.

WESTONA LITTLE ATHLETICS

A number of Westona children competed at the Altona Centre's Cross Country run at Cherry Lake on Sunday.

Although conditions were somewhat muddy the children enjoyed the run.

Club members wishing to enter in the Victorian Cross Country Championships are advised that the regional heats will be held at the You Yangs Reserve on Sunday, July 12 at 1 p.m. The finals are on Sunday, August 9, at Yarra Bend Park. Club uniform must be worn at the regional heats and no spikes are allowed.

Entries are open to all club members and a list with the age group, name, and registration number and a 30 cents entry fee should be in the hands of the club manager, George Nevitt, 21 Harrington Street, before June 23. Details must be correct, failure in this respect will result in rejection of entry.

Newport Baseball Club

A TEAM

On Saturday Newport lead Ivanhoe 9-4. In a game where Newport struggled to get on top all day, they were being well beaten 4-2 until the 6th innings, in which a hit, 3 bunts and another hit all together helped them score 5 runs.

In that innings B. Ockwell was carried off with suspected cartilage trouble.

In the next innings Newport scored two more runs. Hits: H. Bunting 3, Merriman 3, Young 2, Kelly 2, Ockwell 3.

Best: Ockwell, Merriman.

SUNDAY

In a light and very interesting game, Newport were beaten by Sandringham, 4-0. The score does not give a true indication of the ness of the game.

Sandringham scored one run in the 5th. Newport had a chance to equalise in the 6th and 7th innings, but their batters left were on bases.

A bit more concentration is needed by the batters if they are to fight their way back to the four.

Hits: H. Bunting 2, J. Kelly 1.
Best: Bunting, Kelly.

B TEAM

Newport and Ivanhoe drew, 7 all. Newport can consider themselves lucky to escape out of the game with a draw as Ivanhoe could only field 7 players.

Hits: B. Middlemass, D. Ockwell, Forrester.
Best: Middlemass.

C TEAM

C team had a walk over, 3-0.

The Under 17 won 5-4; Under 15 won 12-6 and Under 13 abandoned due to weather.

Altona Lose In World Record Marathon

Altona lost the fourth round Dockerty Cup game to Box Hill under the floodlights at Olympic Park on Thursday night by three goals to one.

In this game a new world record was established as it took 6½ hours of hard, fast play before a goal was scored. Box Hill were the first scorers and friend and foe applauded this goal to the full realising how much effort had gone into the four games which it took to finally separate the teams.

Altona City were dealt a heavy blow when, to add to the already long list of injured players, Jimmy Ackers, the star of the previous game had to withdraw with an ankle injury. Hans Delan took his place and filled it to perfection.

The lesson to be learned here by Altona is that young players can improve very quickly if given a chance in their proper position.

Ian Roberts delighted a good crowd (considering the weather) to some good goal-keeping.

Jimmy Allen and Bobby Milroy were steady in defence. However, the forwards only came into the game in bursts. Herman and Colbard tried hard but it was Altona's defence that withstood the avalanche of Box Hill attacks to be 1-0 down at half-time.

Altona, with sheer determination, got on top in the second half. Herman scored and the scores were level once again.

Play swung from end to end. Keane, Ormerod and Karamatos kept hard at it but with only five minutes to go Hill scored two quick goals and the marathon was finally over.

Full credit must go to both sides for four entertaining games.

World records aren't easily established in any sport. Soccer in Victoria suffers badly from lack of publicity and it is great to see the Western Suburbs news media give the game a better go than any other suburb.

St. Albans, Keilor, Sunshine and Altona are fully aware of the help they are getting from local councils, businessmen and supporters, and with perseverance some day should see the teams sweep to international fame.

Saturday's game is at Kim Reserve when Richmond provide the opposition. Whether any of the six injured first team players will be fit will remain a mystery until Saturday afternoon.

JUNIORS

UNDER 14
Altona were away to Melton last week and they carried on with the good work with an 11 goals to 1 win.

Gransbergen had a good game at centre-half and had good support from Gray and Vanderpoel. The forwards missed a lot of chances early in the game by not moving the ball about, but as the game progressed their game improved.

Hamil was the best forward with Burgess and Totney trying hard.

UNDER 11
Altona, away to St. Albans, had a hard game and did well to make a draw.

Both teams played with all they knew as play went from end to end. Donnelly and P.

Totney did well in defence and Reilly, McMasters and Spinner were good forwards.

UNDER 13
Also away to St. Albans, Altona started off in grand style by scoring five goals in the first 20 minutes before St. Albans could find their feet, but later it turned into a battle royal with both teams in and not giving an inch.

In the second half it was a great game with Altona doing most of the attacking but unable to score goals.

Altona even missed a penalty but they did manage to make it 6-0 just before the game finished.

UNDER 16
This game was cancelled owing to the ground at Sunshine being unfit for play.

THIS WEEK'S GAMES
UNDER 16: Altona v. Sunshine.
UNDER 11: Altona v. Sunshine Heights.
UNDER 13: Altona v. Werribee.

JUNIORS PLAY WELL AT HOCKEY CARNIVAL

Altona failed to gain a place in the finals of the Altona Cup Senior Hockey Carnival, played at Elsternwick Park over the long week-end.

The results of matches, however, were a tribute to excellent games played by under-age members of the Altona Club. Among these were Greg Richardson, John Forrester, Steven Jensen, Mark Kroll, Phil Aitken, Gary Studley and Alan Willett.

To take on Greensborough's A Grade side and lose 1-0 is no mean feat.

Lack of support from senior players was disappointing, but the carnival proved that these same senior players will have to look to their laurels in having such talented juniors breathing down their necks.

RESULTS

Saturday
Round 1: Lost to MCC, 3-0.
Round 2: Defeated Albury, 5-3.

Monday
Round 3: Defeated Sutherland, 1-0.
Round 4: Lost to Greensborough, 1-0.
Round 5: Drew with Dandenong, 2-1.
Round 6: Defeated Monash, 5-1.

UNDER 16 DEFEATED BRUNSWICK 1-0

Altona notched a valuable two points when they defeated Brunswick in very wet and muddy conditions at Brunswick.

In the first 15 minutes of play Altona peppered the opposition goal consistently without being able to score. Altona's chance came when Cris Bruce, with a fine solo 20 yard run, outmanoeuvred the opposing backs and goal-keeper to score.

Brunswick missed the opportunity to equalise when Alan Willett successfully defended a penalty flick.

The second half was all Brunswick but Alan Willett, at kicking back, held the defence together and inspired the side when he successfully defended two more penalty flicks.

UNDER 14 DEFEATED CAMBERWELL 4-0

Playing away at Wattle Park under shocking conditions Altona moved closer to the top of the ladder by defeating Camberwell.

Goals: F. Keeshan 2, M. Gibson, S. Smith.

UNDER 12 DEFEATED STRATHMORE "B" 6-0

After a slow start Altona finally got into their stride and proved too strong for the

opposition. With only one goal on the board at half-time the game was far from over. However, after the interval, with better teamwork from the half-backs through to the forwards, Altona went on to score another five goals.

Goals: J. Gerrig 4, D. Whiffen 2.

Best: D. Whiffen, R. Hibbert, S. Ranger, J. Gerrig.

THIS WEEK'S DRAW (All Home Games)

C Grade v. Melbourne University at 1.30 p.m.

E Grade v. Brunswick at 1.30 p.m.

A Grade v. Power House at 3.15 p.m.

D Grade v. Melbourne University at 3.15 p.m.

KINDER TEACHER RESIGNS

Mrs. Dale Finn, who has taught at the Blackshaws Rd. Kindergarten for the last two years, has submitted her resignation to Altona Council, to be effective from the end of this month.

The council has adopted a Health Department recommendation and will appoint a temporary teacher at the kindergarten for the remainder of this year.

Applications will be called in September for a permanent teacher to take up duties next year.

The Health Department told council the appointment of a permanent teacher now could upset schooling at another kindergarten elsewhere. Council was told a temporary teacher was available and had already helped out during emergencies at other kindergartens in the area.

Sabin Vaccine For Adults

A course of Sabin Oral Vaccine for immunization against Poliomyelitis will be available to adults at the Civic Hall, Civic Parade, Altona between 7 p.m. and 8 p.m. on Monday the 22nd June, 1970.

JAMES W. WATERS, Town Clerk.

Altona City Football Club

UNDER 18

Altona City Under 18 A travelled to Langshaws Reserve, a ground not conducive to fast flowing football.

Centrals took the game right up to City by good backing up, intelligent scouting and reverse handball, to lead by one kick at the first change.

City began to read the play better and were in front at half time.

The third quarter saw some gallant defence and flashes of systematic play by both teams.

A goal to Centrals 30 seconds into the last quarter put them within one kick of City. With long kicks from the backline and players staying on their man, City turned on a team effort and doubled the first three-quarters score by the time of the final siren.

Goals: S. Chatfield 2, J. Rosenboom 2, K. Moylan 2, G. Wilson 2, N. Courtot 2, S. Grainger 1, E. Valente 1.

Best players: Henry Zapart, for a rock-like performance at centre half back; Glen Morgan, with intelligent ground play and clearing dashes on the flank; Phillip Tyrell, for a good four quarters of ruck work; Gordon Wilson, Neil Cornfoot and Ron Greenshields for their constructive forward play. Long kicking Jack Rosenboom on the wing.

Final scores: Central Altona, 5-6, Altona City, 12-20.

Altona City Under 18 B were defeated by Newport. Both sides were missing a few stars for this important clash.

Kicking with the breeze in soggy conditions, Newport led by two goals at quarter time.

The second quarter was level pegging with wind and water playing havoc with disposal of the ball.

Although City kept their visitors goalless in the last term not enough opportunities were scored to wipe off the deficit.

Final scores: Altona City, 5-5, Newport, 6-13.

Considering the circumstances under which these two teams had to play this week, every thanks is due to those players and officials who staged such an enthusiastic game.

Goals: Ian Bennett 2, F. Grego 1, D. Hitchcock 1, K. Haining 1.

Best players: W. Russell, B. Smith, I. Bennett, H. Van Der Poel, R. Morgan, D. Hitchcock.

BROOKLYN WEST PRIMARY SCHOOL

While children enjoyed a holiday, the staff of Brooklyn West Primary School joined with teachers from three other local schools to attend a one-day Science Conference at Altona North, on May 29.

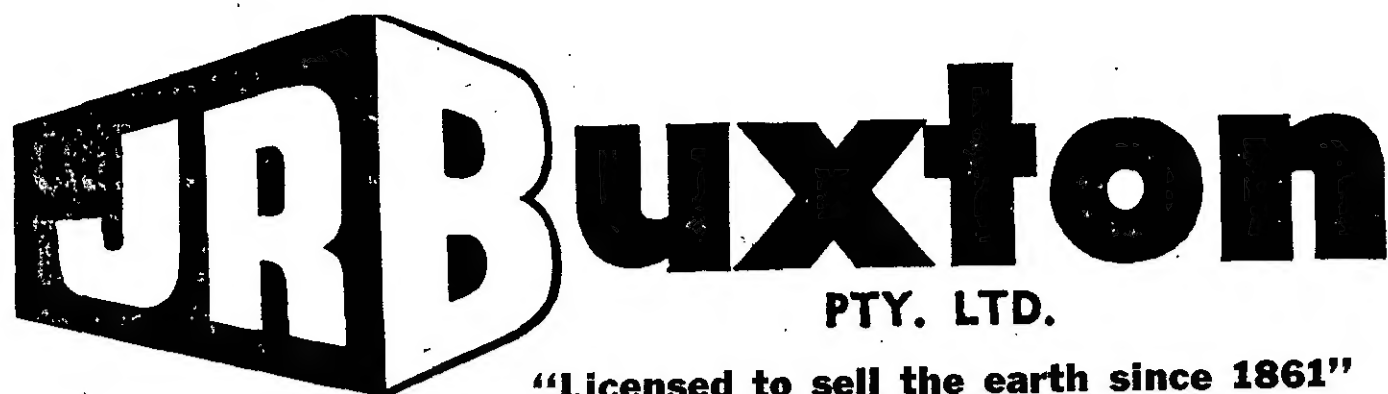

Discussion centred around various aspects of the new science course being introduced into primary schools for the first time in 1971.

Miss M. Wood from the Education Dept.'s Curriculum and Research Branch was guest speaker and gave teachers an insight into recent developments taking place in this field.

The Altona District Inspector, Mr. T. J. Dunstone, chaired a panel of experts who answered queries put forth by the teachers.

An impressive film, brought to the conference by Mr. Glen Mack of the ABC Education Branch provided teachers with ideas in the use of unusual techniques and the screening was a highlight of the day's agenda.
